Sidhartha Das

Product Management | Fintech, Lending & AI Products

+91 93655 25369 | dassid182@gmail.com | linkedin.com/in/sidhartha-das-baa472142

3+ years in fintech product management across lending, B2B SaaS, customer experience and AI-enabled platforms.

PROFESSIONAL EXPERIENCE

Refyne
May 2026 - Present

Associate Product Manager 2

- Owned lending journeys and coupon code systems across checkout, supporting **₹300 Cr in monthly disbursals**.
- Delivered **Project Auris from ideation to live deployment** using speech-to-text (STT), large language models (LLMs) and ticketing software to analyze **200,000+ calls/month**, identify customer issues and support resolution.
- Used customer history, app touchpoints and communications to anticipate issues and guide **next-best actions**.
- Improved **CKYC upload success from 80% to 90%** across **15,000+ weekly uploads** supporting RBI compliance.
- Automated personal loan insurance attachment workflows, tripling monthly insurance volume **from ₹2 Cr to ₹6 Cr**.
- Launched **Refyne Meta Services** for vehicle insurance and challans, reaching **5,000+ daily active users**.
- Redesigned onboarding and KYC verification journeys, reducing **monthly customer support tickets by 10%**.

CASHe | Associate Product Manager
Apr 2024 - May 2026

- Delivered **CredCollect's AI collections SaaS MVP in 3 months** for **300+ in-house collectors**, integrating vendors.
- Helped scale CredCollect to live clients **ICICI Bank (₹200 Cr portfolio), Kotak Mahindra Bank and NACL**.
- Productized **CollectOnGo** for field agent tracking, case allocation, loan collections and commission management.
- Defined data points, APIs and product flows for **CredQuotient**, a GenAI underwriting SaaS, with engineering.
- Built risk dashboards informing NACL lending policies for a business supporting about **₹100 Cr in disbursals**.

CASHe | Management Trainee - Product
Jul 2023 - Mar 2024

- Analyzed user behavior and built retention dashboards to guide product improvements and retention initiatives.
- Coordinated cross-functional teams, engineering sprints and release management for the CASHe app redesign.
- Designed **BBPS-compliant bill payments**, including business evaluation, go-to-market and partnership planning.

EARLIER EXPERIENCE

DailyBetter | Product Intern (Founding Member) — Mar 2023 - Jun 2023
